

ENVIRONMENTAL PROTECTION COMMISSION[567]

Adopted and Filed

Pursuant to the authority of Iowa Code section 445D.5(7), the Environmental Protection Commission hereby adopts amendments to Chapter 122, “Cathode Ray Tube Device Recycling,” Iowa Administrative Code.

These amendments are being adopted in an effort to promote convenient cathode ray tube (CRT) recycling for consumers without compromising protection of the environment. This will be accomplished by:

- Removing the requirements for short-term collections.
- Replacing the permit requirement for facilities that collect CRTs with a registration requirement.
- Providing collection and storage requirements for registered collection points including limiting the number of CRTs on site to 2,000, limiting the storage time to one year, and requiring a training program for collection site employees.
- Increasing the length of the CRT recycling permit from three years to five years.
- Removing the requirement for DNR-approved training for staff of CRT recycling facilities.
- Simplifying the reporting requirements for CRT recycling facilities.

Notice of Intended Action was published in the Iowa Administrative Bulletin as **ARC 8468B** on January 13, 2010.

No comments were received during the public comment period or at the public hearing.

Changes from the Notice have been made to rule 567—122.22(455B,455D) in order to simplify the reporting requirements for CRT recycling facilities. The CRT recycling facilities will only need to report the number or amount of CRT devices received. The facilities will no longer need to track the number of televisions and monitors separately or the ratio of the CRTs that come from households versus businesses. Rule 567—122.22(455B,455D) now reads as follows:

“567—122.22(455B,455D) Reporting requirements for CRT recycling facilities. A CRT recycling facility shall maintain a record of the number or weight of CRT devices received each calendar year and report this information to the department within 30 days of the end of that calendar year.”

These amendments are intended to implement Iowa Code sections 455D.6(7) and 455B.304(1).

These amendments will become effective July 1, 2010.

EDITOR’S NOTE: Pursuant to recommendation of the Administrative Rules Review Committee published in the Iowa Administrative Bulletin, September 10, 1986, the text of these amendments [122.2 to 122.28] is being omitted. With the exception of the change noted above, these amendments are identical to those published under Notice as **ARC 8468B**, IAB 1/13/10.
